About the Host

Vignana Jyothi Institute of Management known as VJIM is a business school located in Hyderabad, Telangana, India. It is an autonomous institution approved by the AICTE, for the award of Post Graduate Diploma in Management (PGDM). The institute is ranked among the top 50 B-Schools by rating agencies. Vignana Jyothi Institute of Management (VJIM) was set up by the Vignana Jyothi educational society in 1993. Vignana Jyothi is registered as a non-profit educational society under the Societies Act. Vignana Jyothi manages five educational institutions including VJIM. The society has eminent personalities like Padmasree Dr. Karkarla Subba Rao, Dr. Rama Naidu, film producer, Dr. D. N. Rao, promoter of X_Design Ventures, Sri Narne Prabhakar, Sri K. Harish Chandra Prasad, who were former presidents of FAPCCI, Sr. D. Ashok, Chairman, Navbharat Ventures, Sri. Raja Rama Mohana Rao, Chairman, SEW Constructions and many other successful industrialists and philanthropists as members. Dr. Kamal Ghosh Ray is the Director of the Institute.

About the Central Library

With its modern collection of knowledge resources and innovative information services VJIM Library is an excellent learning resource centre for students and faculty. The entire Library collections including the online databases are made available through Institute's network. Users can access the online databases and also find out the real-time availability of library materials from their own computer terminals. The Library offers a range of information services to support the learning process set to the highest professional standards. Library provides services such as OPAC, Circulation, Reference and Inter Library Loan, Photocopying and Database Search Service. Library is an institutional member of DELNET & MANLIBNET. Library at VJIM offers an excellent collection of over 9706 titles with 15167 Volumes to which 600 titles are added every year. In addition VJIM Library subscribes to 212 International and National Journals. The Library is fully computerized. A wide spectrum of corporate and economic information is provided through a collection of Company annual reports, Pfeiffer & Company collection and Economic Intelligence Service Reports of Centre for Monitoring Indian Economy (CMIE). The Library collection also includes the Online Databases and AV Resources. Library member can request for a book or suggest a book by filling the relevant form. Library member should produce a valid library card to borrow books.

About the Workshop

The workshop is jointly organised by DELNET & Vignana Jyothi Institute of Management, Hyderabad, Telangana for Library professionals in the region.

Workshop Objectives

The main objectives of DELNET workshop are to enable the participants to get knowledge of accessing to various e-resources and online services provided by DELNET and thus to provide expert assistance to users; to train the participants in adopting Koha: open-source software for library automation purposes, etc.

Workshop Coverage

The following topics will be covered in the workshop:

- ◆ New Trends in Managing Libraries
- ◆ DELNET: Resources, Services and Facilities.
- ◆ Access to E-Resources
- ◆ Koha: An Open Source Integrated Library Management System
- ◆ DELNET E-Journals Consortium
- ◆ Overview of VJIM Library Resources
- ◆ Sharing of Best Practices

Benefits of Attending the Workshop

Participants will learn about making effective use of the DELNET online services; ILL/ DDS Services, etc.

The Participants will get the knowledge of how to help users to access e-resources for their higher studies and research work and to develop adequate skills for catering to the growing information needs of the users.

Participants will be trained in using Koha: An Open Source Integrated Library Management Software.

The customised version of the Koha software CD will be given to the participants free of charge.

Who should Attend

Library Professionals, LISc Students, Faculty Members and Research Scholars will largely get benefited from this workshop.
